Endorsement of the FET Flagship ExtremeEarth

17.01.2018
AB/AD

Dear Dr. Bauer,

it is my pleasure to let you know that the Alfred Wegener Institute (AWI), Helmholtz Centre for Polar and Marine Research, endorses the proposal for a FET Flagship project entitled ExtremeEarth. For our institute, the scientific and technological developments proposed in ExtremeEarth would be of extremely high relevance for many of our research activities, especially those related to Earth System Modelling.

With best regards

Prof. Dr. Antje Boetius
